NACHO MACHINE

Rent a nacho cheese dispenser to give your next party or event a unique twist! Fits a large can of nacho cheese (available at foodservice stores, wholesale retailers, and online) and warms up to your desired temperature. Our nacho cheese dispenser for rent is the perfect addition to your event. Having this special treat available to your guests will make a memorable experience for everyone.

HOT DOG MACHINE

Our hot dog roller machines will make the chef's job easier and make food prep for the masses a breeze at your next event. Our machines rotate hot dogs and sausages to grilled perfection making it easier for you to enjoy the party. All you have to do is plug the hot dog machine in, let it warm up, and let the grilling begin! Once the grill is hot, it only takes about 20- 30 minutes from the refrigerated state to hot and tasty dogs.
